

Sleek Contest 72CS Yacht – The flagship of the Contest fleet

April 20, 2015

Dutch shipyard, [Contest Yachts](#), has recently launched their latest Contest 72CS yacht at the yard in Medemblik – the video from launch can be seen [here](#). First introduced as the company's flagship at the [HISWA In-Water Boat Show 2012](#), sailing yacht Contest 72CS is a lovely 22-metre performance cruiser, setting new standards in terms of performance and comfort. She mixes up premium Dutch quality and superior looks.

Mini-superyacht Contest 72CS by Contest Yachts under sail

The beautiful, contemporary interiors of luxury yacht Contest 72CS designed by [Wetzels Brown Partners](#) provide a generous master suite, fitted with a desk, two long sofas and a huge bathroom. The large galley, which can be found forward, is connected with the captain's cabin as well as the captain's lounge. There is also separate access to the cabin forward. The saloon features comfortable sofas and boasts a modern soft look and feel.

Contest 72CS Yacht sailing in Mallorca in 2014

Contest 72CS yacht is a sleek bluewater cruiser, meeting the stringent quality demands of Lloyd's certification. To save weight and add strength, Contest Yachts has deployed its industry-leading vacuum infusion system to produce both the hull and deck.
